Dear users,

protect your data through deleting them by yourself before returning the device. The library of the OTH Regensburg won't be liable for removing your data.

Instructions for returning the iPad correctly

Without the following steps the device can't be used by someone else and your library account will be locked!

1. **Logging off your Apple-ID**

    a. Select Settings > 'your name'
    b. Select Media & Purchases
    c. Select View Account, here you have to type in your password
    d. Scroll to 'Remove this device'
    e. When c. and d. not possible > choose "sign out"

2. **Deleting data and settings**
    a. Select Settings
    b. Select General > Transfer or Reset iPad > Erase all Content and Settings

Now your data is completely deleted, and the device can be given to the next user without a problem. Thank you very much!

Have fun with the iPad!

Your team of the OTH Library
